

TIPS TO HELP PREVENT ENTERING AUTO

Always lock your vehicles and close your windows completely. Perpetrators are forcing down windows that are left partially open.

The perpetrators of car break-ins often move around from one area to another, making it difficult to anticipate their next target area. Another reason so many vehicles are broken into is that people continue to leave valuable items inside of their parked cars.

Purses, iPods, cell phones, cameras, CD's, laptop computers, even loose change laying on the console are an invitation to those who choose to subsidize their income by committing the crime of Entering Auto

The Athens-Clarke County Crime Prevention Unit encourages you not to leave any items of value in the passenger compartment of parked vehicles.

Installing good exterior lighting is another good method of prevention.
