POLICE SERVICES

OBJECTIVES

- Retain Mayor and Commission's adoption of the International Association of Chiefs of Police/Police Executive Research Forum's recommended staffing model for metropolitan statistical areas' core counties/cities and fund 20% of the actual staffing deficit in FY08.
- Retain Mayor and Commission's adoption of the Association of Public Safety Communications Officials' recommended workload measurement model and fund 50% of the identified staffing deficit in FY08.
- Attain a commitment from the elected and appointed officers to complete and implement the results of a task analysis/job market survey for public safety positions.
- Attain a commitment from the elected and appointed officials to maintain police personnel compensation and benefits within 7% of the true market rate, particularly applicable to tenured employees.
- Ensure appropriate oversight of the East and West Substations is maintained and documented.
- Continue the emphasis on developing an integrated justice mobile field reporting system. This system would properly support and enhance crime analysis, personnel allocation, the Assigned Vehicle Program, the Early Personnel Warning System, Anti-Biased Based Policing Procedures, and other data driven systems required to lead a nationally accredited, medium sized police department.
- Implement the optimal schedule and geographical placement of all personnel and resources to respond appropriately to all citizen concerns given personnel allocation constraints.
- Ensure that police majors are utilizing varied tools to problem solve "repeat call" incidents beyond the "arrest solution."
- Ensure that police majors and captains are utilizing varied tools to problem solve "repeat offender" issues to prevent multiple and serial victimization of one or more individuals by an offender(s).
- Ensure the Criminal Investigation Division (CID) continues to maintain and support a "targeting" system aimed at repeat offenders who, as a class, commit five to eight additional crimes after warrants have been issued for their arrest. CID is to aim its efforts along the lines of the Safe Neighborhood federal initiative in an attempt to arrest at a minimum the 240 most violent felons as well as habitual property criminals and/or illegal drug suppliers impacting ACC.
- Continue during FY08 the assignment of a police sergeant to specifically coordinate the ACC Safe Neighborhood Initiative and report directly to a Command Officer for this purpose.
- Continue to support downtown ACC by increasing the personnel allocation by one additional officer and providing Sunday beat coverage during the evening hours.
- Institutionalize during FY08, with training scenarios, the communications interoperability capacities developed during FY07 by the 911 Communications Division.
- Continue the growth, development, and maturing of managerial and command personnel at the Georgia Command College.
